

Strathalbyn DPA Process

* Minister may accept or reject the Development Plan Amendment or require changes or additional investigations to be undertaken prior to allowing consultation to occur.

** Minister may approve; alter and approve; refuse; or divide into parts, with some approved and others refused or altered. Minister or Council may choose at any time to not continue with the Development Plan Amendment process.

Please Note: This is an indicative timeline that Council is working towards, however it is subject to change depending on the outcomes of the consultation and obtaining Ministerial approvals.
